DETAILS: All information set out in this report is furnished by T-1, who has furnished reliable information in the past, as obtained by him from a source which he declined to identify but whom he termed reliable and a member of the captioned organization.

I. GENERAL ACTIVITIES OF THE
NATIONAL RENAISSANCE PARTY

T-1 indicated on December 26, 1956, that the National Renaissance Party (NRP) continues to maintain headquarters at 10 West 90th Street, New York City, in the apartment of JAMES MADOLE, its national leader.

He stated that two public meetings were held by the Party on November 2, and December 13, 1956, which were attended by only a small number of people. He indicated that MADOLE frequently holds informal meetings at his apartment which are also attended by a small number of people. He added that the Party apparently is not gaining any strength and that MADOLE expressed his disappointment at the small turnouts which they had had for their public meetings.

T-1 added that JAMES MADOLE has indicated that he is now deriving an income of about \$40 per month for the Party mainly through the selling of Egyptian and Arab literature.

T-2, who was in a position to furnish reliable information, indicated [redacted]

It is to be noted that VINCENT J. NOLA is the owner of Nola Studios, 113 West 57th Street, New York City, where meetings of the NRP have been held.

Information furnished by T-2 should not be made public except after the issuance of a subpoena duces tecum.

II. INDIVIDUALS CONNECTED WITH THE NRP

JAMES H. MADOLE

T-1 indicated on December 14, 1956, that at all meetings of the NRP, MADOLE is always the principal speaker. He indicated that at a meeting on December 13, 1956, MADOLE spoke at length praising Premier NASSER and the Arab states.

MADOLE also indicated at this meeting that there could never be peace in the Middle East until the State of Israel is obliterated.

MADOLE also attacked the Supreme Court and Attorney General BROWNELL for forcing the "niggers" down the throat of the South.

T-1 indicated on December 3, 1956, that MADOLE had contacted Nola Studios and arranged for a meeting room on the night of December 14, 1956. However, he had later changed this meeting date to Thursday, December 13, 1956, because he had a date with a new girl friend on the 14th.

NY 105-6112

T-1 added that MADOLE had recently indicated that he had received a letter from JOHN KASPER, leader of the White Citizens Council in Washington, D. C., which indicated plans to hold a meeting in Washington and requesting MADOLE to be present as one of the speakers. MADOLE had stated that he was thinking of going to this meeting when a definite date is established.

T-3, who has furnished reliable information in the past, indicated on December 17, 1956, that JAMES MADOLE resides at 10 West 90th Street, Apartment 8, with his mother GRACE MADOLE.

He stated there has been a great deal of activity during the past month at this apartment in that every evening, many people visit the MADOLEs. He indicate he believes that members of the NRP hold frequent meetings in this apartment but he is unable to identify any of these members.

GRACE MADOLE

T-1 stated on December 26, 1956, that GRACE MADOLE continues to reside at 10 West 90th Street, Apartment 8, with her son, JAMES MADOLE, who is leader of the NRP.

He said that she is still employed at the Metropolitan Life Insurance Company, New York City, and apparently works long hours at this job although she is reportedly eligible to retire. He added that she apparently has no close associates and very seldom engages in any activity except that connected with the NRP.

He stated that she attended meetings of the NRP held at Nola Studios, New York City, on November 2, 1956, and December 13, 1956. He said that at both of these meetings, she was seated at the literature table and was active selling Egyptian literature which the Party had for sale as well as regular NRP literature.

NY 105-6112

T-1 further stated that GRACE MADOLE has never been a speaker at any of these meetings and takes no other active part in the meetings except in the selling of literature.

He said that she is not known to ever have been active in any other organizations and her main reason for supporting the NRP appears to be in support of her son. He said that she feels that so long as JAMES MADOLE is actively interested in the NRP, that she will be able to aid him and counsel him.

ETHEL CROOKES

T-1 indicated on November 8, 1956, that ETHEL CROOKES had attended a meeting of the NRP on November 2, 1956, at N la Studios, New York City. He indicated, however, that she had not been associating with members of the NRP in recent months, to his knowledge, and he knew of no activities she has currently performed for the Party. He stated that at no time did she ever appear to hold an influential position in the NRP and although she is referred to as Treasurer of the NRP, he does not believe that she has any part in the operation of the Party.

BENJAMIN FREEDMAN

T-1 indicated on November 27, 1956, that BENJAMIN FREEDMAN continues to confer with JAMES MADOLE about future issues of the "National Renaissance Bulletin." FREEDMAN reportedly is anxious to maintain his contact with MADOLE in order to use this publication as a vehicle for his views in propaganda.

T-1 indicated on December 28, 1956, that FREEDMAN, who for many years has been friendly with Arab officials in New York City, has recently been attending United Nations Committee meetings. He stated that at

NY 105-6112

these meetings, FREEDMAN would attempt to ingratiate himself with Arab officials and on other occasions he would indicate to people that he is backing several publications. The informant indicated that he is making a general nuisance of himself and most people regard him as a man with a disordered mind.

This informant also indicated that for many years, FREEDMAN had been associated with and supported "Common Sense" the publication of CONDE MC GINLEY, but that recently they had an argument over material that FREEDMAN wanted published and that they have not met since that time.

It is noted that "Common Sense," published by the Christian Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

FREDERICK WEISS

T-1 indicated on December 26, 1956, that FREDERICK WEISS has visited JAMES MADOLE at his apartment recently on several occasions. He stated, however, WEISS apparently has not been furnishing any money to MADOLE in recent months and has not been directing any of the activities of the NRP.

NY 105-6112

He said, however, that WEISS has written an anti-semitic leaflet entitled, "Who Cares," which MADOLE had agreed to distribute in the South for him.

III. STATED AIMS AND PURPOSES OF THE NRP

The September - October, 1956 "National Renaissance Bulletin" contained the following on its masthead:

"Official organ of the National Renaissance Party devoted to a restoration of the American republic, a preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice."

IV. ACTION TAKEN TO IMPLEMENT
THE PROGRAM OF THE NRP

A. Meetings

T-1 indicated on October 19, 1956, that JAMES MADOLE had reserved a room at Nola Studios to hold a meeting of the NRP on Friday evening, November 2, 1956.

T-1 indicated on October 31, 1956, that the NRP had distributed cards announcing a major political rally sponsored by the NRP on November 2, 1956, at the Nola Studios, 113 West 57th Street, New York City.

T-1 indicated on November 6, 1956, that a meeting of the subject group was held from 8:45 P. M. until 10:45 P. M. on November 2, 1956, at Nola Studios, New York City. He stated that approximately 27 people were present and that \$16.00 was received in a collection.

He indicated that persons known to be present were JAMES MADOLE, GRACE MADOLE, ETHEL CROOKES, [redacted] (first name unknown) [redacted] (first name unknown) [redacted]

b6
b7c

T-1 indicated that MADOLE was the principal speaker and he spoke in favor of Egypt and against Israel.

NY 105-6112

He stated that MADOLE praised Premier NASSER of Egypt and spoke against the Jews in America and Israel.

He stated that [] spoke for about 15 minutes attacking the United Nations and that [] spoke about ten minutes praising Senator MC CARTHY and General MC ARTHUR and instructing the people as to how they might write in their protest votes in the forthcoming election.

The informant added that this meeting was orderly and no incidents transpired.

T-1 indicated on December 7, 1956, that MADOLE had prepared and distributed an announcement entitled, "The National Renaissance Party Sponsors a Second Major Political Rally to Oppose American Participation in a Third World Bloodbath," which indicated a Party meeting to be held on December 13, 1956.

T-1 indicated on December 20, 1956, that the NRP held a meeting on December 13, 1956, at Nola Studios, New York City. He said that only 13 people attended, including JAMES MADOLE, GRACE MADOLE, [] and ETHEL CROOKES. T-1 stated that MADOLE was very upset with the small attendance and indicated that he had mailed 700 leaflets announcing this meeting.

He indicated that MADOLE praised HITLER and Premier NASSER, as well as the Arab states. He also spoke against Israel and the act they had committed with France and England against Egypt. The informant stated that [] also spoke briefly at this meeting.

B. Publications

T-1 indicated on October 23, 1956, that JAMES MADOLE had indicated he had ordered 500 reprints of the

NY 105-6112

July "National Renaissance Bulletin," which was being done by CONDE MC GINLEY. MADOLE stated this issue had already brought a profit of \$125 and that he had received an order for 125 copies from Florida.

The source indicated that MADOLE recently had received an article from EUSTACE MULLINS, leader of the Realpolitical Institute, a pro-nationalist organization, with address, Post Office Box 1785, Chicago 95, Illinois. He indicated this article was anti-Jewish and anti-Negro and entitled, "The American Mau Maus."

b6
b7C

This source indicated that [redacted] is ill and has advised MADOLE that they will no longer be able to mimeograph his "National Renaissance Bulletin's" for some time to come.

This source added that this would mean a considerable financial loss to MADOLE inasmuch as he has been getting this printing done at wholesale cost by MC GINLEY.

T-1 indicated on November 19, 1956, that the September - October, 1956 issue of the "National Renaissance Bulletin" has been printed and is being distributed. He said this bulletin contains a reprint of an article which appeared in the December, 1953 issue of "Sign," a Catholic magazine.

He added this bulletin also contained an article entitled, "The Hidden Facts Behind the Zionists Intervention of Egypt," by JAMES H. MADOLE. He stated this article was anti-Jewish and that this bulletin also contained advertisements for several Egyptian leaflets.

He said this bulletin was prepared with the help and advice of BENJAMIN FREEDMAN who also gave MADOLE \$90 toward the cost of this publication. He said this bulletin was printed by [redacted] in Union, New Jersey.

NY 105-6112

Mr. SAM M. ENGELHARDT, JR., State Senator of Alabama and Executive Secretary of the Citizens Councils of Alabama, furnished SA [redacted] on November 28, 1956, the following literature which he had received from the subject organization:

b6
b7C

"National Renaissance Bulletin," dated December, 1952.

"National Renaissance Bulletin," dated January, 1953.

"National Renaissance Bulletin," dated January - February, 1954.

Mimeographed brochure entitled, "Jewish Anti-Semitism," which urged the reader to join the NRP.

T-1 indicated on November 2, 1956, that MADOLE had stated that he has arranged more than \$400 this year selling Egyptian literature which he has received free of charge and in turn has sold for a small fee. The informant said this literature has been distributed by MADOLE after he has placed the rubber stamp of the NRP, 10 West 90th Street, New York City, upon it.

He indicated the two most recent pamphlets were a 23 page booklet entitled, "Peace and War," and a 29 page booklet entitled, "Threats and Intimidation."

T-1 indicated on November 27, 1956, that apparently MADOLE continues to get large amounts of Arab literature from the Arab Information Center and he had intended to display a large amount of this literature for sale at the Nationalist Party headquarters until this headquarters was closed.

T-1 indicated on December 3, 1956, that FREDERICK WEISS had recently printed an article entitled, "Who Cares?" which is anti-semitic, anti-alien and anti-Negro. He stated that about 8000 of these pamphlets had

NY 105-6112

been printed and that WEISS had delivered a quantity of them to MADOLE, who indicated he would distribute about 300 of them in the South.

T-1 said that MADOLE did not indicate how these would be distributed but added that he would not be able to distribute them in the North as they might antagonize his Arab friends.

T-1 indicated on December 17, 1956, that MADOLE had received large quantities of pro-Arab and pro-Egyptian literature in recent months which he would distribute with the name of the NRP, 10 West 90th Street, New York City, and distribute through Party channels. T-1 stated that some of these booklets included the following:

"Egypt in the Suez Canal"

"The Suez Canal Question"

"Today's Egypt," which was prepared at the Egyptian Embassy in Washington.

"The Truth about Gamal Abdel-Nasser," prepared at the Press Bureau of the Permanent Mission of Egypt to the United Nations, New York City.

"White People on Nationalization of the Suez Maritime Canal Company," printed by the Government of Egypt in Cairo.

"British and French Action in Egypt," printed by the Middle East Research Center, Cairo.

"Peace and War," printed by the Egyptian Information Department, Cairo.

"Threats and Intimidation"

NY 105-6112

"The Ministry of Wakfs"

"Zionists and the Bible," published by the
Palestine - Arab Refugee Office, New York City.

"Modern Egypt in its Fourth National Celebration,"
published by the Ministry of Foreign Affairs.

"Persecution of the Arabs in Israel," published
by the Palestine - Arab Refugee Office, New York
City.

"Anglo - French - Israeli Aggression Against
Egypt," published by the Egyptian Embassy,
Washington, D. C.

"The Suez Canal - Facts and Documents," published
by the Selected States Committee, Cairo.

C. Other NRP Groups in the United States
and Association of the NRP with Other
Nationalist Groups

T-1 indicated on October 23, 1956, that JAMES
MADOLE stated he had been approached by [redacted]
with an offer to rent the front half of the store which
is occupied by the Nationalist Party, an anti-semitic,
neo-Fascist group in New York City.

[redacted] indicated that half of the rent would
cost MADOLE \$22.50 per month and MADOLE would have use
of half of the window in this store.

b6
b7c

This source stated MADOLE is considering the
proposition and believes it would be a good opportunity
to display the Arab literature which the NRP is now
distributing. T-1 added, however, that it is doubtful
that MADOLE would agree to this offer inasmuch as he has
constantly refused in the past many offers to cooperate
with the Nationalist Party when it was led by WEST HOOKER.

NY 105-6112

T-1 indicated on November 27, 1956, that MADOLE had finally decided to utilize the Nationalist Party headquarters for the display of his literature and had advanced his share of the monthly rent which amounted to \$22.50. However, the landlord of this building evicted the Nationalist Party in November and the headquarters are now boarded up and all the equipment has been removed. T-1 stated that it is probable that a few of the Nationalist Party members will become closely associated with JAMES MADOLE and the NRP.

T-1 indicated on December 26, 1956, that there is no indication that MADOLE has attempted to establish any other NRP groups outside New York City or that the NRP has sought to associate itself with any other nationalist groups in the United States.

Source stated that MADOLE continues to hold informal gatherings of National Renaissance Party (NRP) members on Thursday evenings at his apartment at 10 West 90th Street, NYC. He stated that such a meeting was held on 1/3/57, but was attended [redacted] who brought with him [redacted] and another individual named [redacted]. CONFIDENTIAL SOURCE

[redacted] furnished the following information
on 2/1/57.

b2
b7D

This source indicated that the December, 1956, National Renaissance Bulletin had been printed by CONDE MCGINLEY. He stated that 500 copies of this six page bulletin were mimeographed by MCGINLEY for which the charge was \$30.00. This source noted that the previous printer which the National Renaissance Party had utilized, the Mary Ellen Clancey Agency, would have charged about \$80.00 for the same amount of work. This source added that this bulletin offered new subscribers to the bulletin a free copy of a 250 page booklet entitled "Suez Canal, Facts and Documents." He stated that JAMES MADOLE had obtained this item free at the Egyptian Delegation to the UN, 900 Park Avenue, NYC.

This source furnished the NYO the two most recent Arab pamphlets which MADOLE has distributed under the stamp of the National Renaissance Party, 10 W. 90th St., NYC. These booklets are entitled "The Palestine Problem" - a memo submitted to the Secretary General of the UN, in its 11th session, by the Executive Bureau of the World Muslim Congress, Jerusalem; "The Scribe" for January, 1957, which contained pictures showing destruction of civilian property in Port Said allegedly perpetrated by the British Army. It is noted that this particular copy of "The Scribe" contained a printed notation "not for sale" and the informant stated that MADOLE would not attempt to sell this booklet but would distribute it free of charge to subscribers to the National Renaissance Bulletin. These two booklets will be made exhibits in the National Renaissance Party file 105-6112.

MADOLE added that he had also received a letter from JOHN KASPER indicating plans to hold a meeting in Washington, within two weeks and inviting MADOLE to be present as one of the speakers. MADOLE indicated that he is thinking of going to this meeting in Washington when a definite date is established.

DETAILS:

All information set out in this report as furnished by T-1, who has furnished reliable information in the past, was obtained by him from a source, which he declined to identify, but whom he termed reliable and a member of the captioned organization.

I. GENERAL ACTIVITIES OF THE
NATIONAL RENAISSANCE PARTY

T-1 stated on March 13, 1957, that the National Renaissance Party (NRP) continues to maintain headquarters at 10 West 90th Street, New York City, in the apartment of JAMES MADOLE, its national leader. He stated that no public meetings have been held in recent months by the Party, but that MADOLE frequently holds informal meetings at his apartment, which are attended by a small number of people. He stated that the Party is not gaining in strength or membership, and that MADOLE apparently is content to operate the Party merely with the distribution of literature for which he receives a small return which takes care of Party expenses.

[redacted] Foreign Agents Registration Section, Department of Justice, Washington, D.C., advised on February 20, 1957, that neither JAMES MADOLE nor the NRP is registered as the agent of a foreign principal. [redacted] also advised that there was no registration of MADOLE or the NRP as a propaganda agent of any foreign principal.

II. INDIVIDUALS CONNECTED WITH THE NRP

JAMES H. MADOLE

T-1 stated on March 13, 1957, that JAMES MADOLE continues to reside at 10 West 90th Street, and continues

NY 105-6112

to be the leader of the NRP.

T-2, who is in a position to furnish reliable information, was contacted on February 5, 1957, and he was unable to identify JAMES MADOLE by name or photograph as a visitor in the past to the Egyptian Consulate, New York City.

T-3, who has furnished reliable information in the past, stated on March 21, 1957, that JAMES MADOLE still resides at 10 West 90th Street, New York City, with his mother, GRACE MADOLE, and that presumably meetings of the NRP are being held by them, as many people visit the MADOLE apartment.

GRACE MADOLE

T-1 stated on March 13, 1957, that GRACE MADOLE continues to be a member of the NRP, and continues to reside with her son, JAMES MADOLE, at 10 West 90th Street, New York City. He stated that she attends meetings of the NRP, which are frequently held at this address. He added that he knew of no other political activity that she was engaged in, outside of aiding her son in the operation of the NRP.

T-4, who has furnished reliable information in the past, indicated on January 29, 1957, that GRACE MADOLE is presently employed in the Receipts and Deposits Division of Metropolitan Life Insurance Company, 25 East 24th Street, New York City. He stated that she has been employed for many years by this firm, and that her employment has been considered satisfactory. He stated that because she is over the retirement age for women of 60 years, that her present employment is on a year to year basis. He stated that her present year expires in May, 1957, and she has currently requested that her employment be extended for an additional year.

NY 105-6112

ETHEL CROOKES

T-1 indicated on March 13, 1957, that ETHEL CROOKES does not enter into any of the NRP activities, except that she has occasionally attended public meetings held by the Party. He stated that she has never held any position of importance in the Party, and that the title of Treasurer, which has been attributed to her, is one in name only, which has no significance and she is not now performing any functions of that office in the Party to his knowledge. He stated that she apparently is quite elderly and in poor physical condition. Therefore, he is of the opinion that she will be unable to perform any appreciable services for the Party.

BENJAMIN FREEDMAN

T-1 stated on January 21, 1957, that apparently BENJAMIN FREEDMAN is not helping JAMES MADOLE with the new "NRP Bulletin", and that MADOLE has indicated that he does not see much of FREEDMAN any more and that several times when he has called FREEDMAN, FREEDMAN has not been eager to make an appointment with him.

T-1 indicated on March 1, 1957, that JAMES MADOLE has stated that he believes  is now working for FREDERICK WEISS, and stated he believes that  when he is unemployed, will work for anyone who will furnish him money  MADOLE stated that  would probably work for WEISS, Professor SHELDON, of the Anti-Nazi League, or anyone else who would stake him to money  MADOLE stated that he was going to instruct his "Arab friends" not

b6
b7C

NY 105-6112

to give any more literature to [] for the NRP.

[]
T-1 stated on March 1, 1957, that [] has been associated with JAMES MADOLE of the NRP for a considerable amount of time. He indicated that [] presently is actively engaged in contacting many people and asking questions on many subjects. This source added that it is his opinion that [] is an agent for some organization. He stated that [] allegedly is running an organization called Americans for Democratic Rule, and also has indicated that he is writing a book of some sort.

T-1 stated that [] has indicated he is utilizing the "Conservative Directory" of right wing organizations and individuals, published in San Francisco, for the mailing of his literature.

Other Individuals Connected with the NRP

T-1 stated on January 21, 1957, that an individual named [] had attended a meeting on January 10, 1956. He stated that [] has recently been visiting JAMES MADOLE, and indicated that he was [] the Realpolitical Institute in Chicago, a nationalist group similar to the NRP.

T-1 stated that [] has also indicated to MADOLE that he is interested in Arab literature and asked MADOLE to take him to the Egyptian Office at 900 Park Avenue, in order to get some money from the Egyptians. [] reportedly suggested that MADOLE rent a store where he could sell books

NY 105-6112

and literature, and that [] could help MADOLE with some money to run the store.

T-1 said that MADOLE believed [] to be an agent provocateur, and that he probably had been sent to infiltrate the NRP by JAMES SHELDON of the Anti-Nazi League, New York City. T-1 stated that although MADOLE believes this, that he still continues to meet with BRENNAN and will accept any aid which [] is willing to furnish to the NRP.

III. STATED AIMS AND PURPOSES OF THE NATIONAL RENAISSANCE PARTY

The February, 1957 "National Renaissance Bulletin" contained the following on its masthead:

"Official organ of the National Renaissance Party devoted to a restoration of the American Republic, the preservation of American sovereignty, and the establishment of an American regime based on the principles of racial nationalism and social justice."

NY 105-6112

T-1 stated that a meeting was also held on Thursday, January 10, 1957, which was attended by GRACE MADOLE, JOSEPH RUDDEN, Mrs. LAVEN, PETERS, and an individual named BRENNAN.

T-1 stated on February 15, 1957, that JAMES MADOLE held a Party meeting at his apartment on February 14, 1957, which was attended by MAX HUDDLE, GRACE MADOLE, JOSEPH RUDDEN, and PETERS.

B. Publications

Referral/Consult

T-5. another government agency [redacted]

[redacted]

T-1 indicated on January 24, 1957, that the December, 1956 issue of the "National Renaissance Bulletin" had been published by the NRP, and contained an appeal for funds for the "15 patriots who dared to speak up on behalf of maintaining racial segregation in Clinton, Tennessee."

T-1 indicated on February 1, 1957, that 500 copies of the above bulletin, which contained six pages, were mimeographed by CONDE MC GINLEY, Editor of "Common Sense," for which the charge was \$30.00. T-1 noted that the [redacted] [redacted] which the NRP previously used as th printer, would have charged about \$80.00 for the same amount of work.

b6
b7C

T-1 added that this bulletin offered new subscribers to the bulletin a 250 page booklet entitled, "Suez Canal, Facts and Documents." T-1 stated that MADOLE had obtained this item free at the Egyptian Delegation, 900 Park Avenue, New York City.

NY 105-6112

It is noted that "Common Sense", published by the Christian Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives, as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

T-1 stated on February 25, 1957, that the January, 1957 issue of the "National Renaissance Bulletin" had been issued, and contained an article by JAMES H. MADOLE entitled, "Official US Government Report Proves Menace of Racial Integration". This article concerned the Congressional Committee report on integration of Washington, D.C. schools, and was anti-Negro in content.

This bulletin also contained an offer to send the following new books to anyone who contributed to the distribution of this bulletin:

"The Palestine Problem"

"British and French Action in Egypt"

T-1 stated on March 25, 1957, that the February, 1957 "National Renaissance Bulletin" had been issued, and contained an article by JAMES H. MADOLE entitled, "The Sinister Plan Behind Eisenhower's 'Middle East Doctrine'". He stated that this article is pro-Nasser and anti-Israel in content, and that it was printed by CONDE MC GINLEY.

NY 105-6112

T-1 stated on February 1, 1957, that the two most recent Arab pamphlets which MADOLE has distributed under the stamp of the NRP, 10 West 90th Street, New York City, are entitled, "The Palestine Problem" - a memorandum submitted to the Secretary-General of the United Nations, in its XI Session, by the Executive Bureau of the World Muslim Congress, Jerusalem, and "The Scribe" for January, 1957, which contained pictures showing destruction of civilian property in Port Said, allegedly perpetrated by the British Army.

It is noted that this particular copy of "The Scribe" contained a printed notation "not for sale", and T-1 stated that MADOLE would not attempt to sell this booklet, but would distribute it free of charge to subscribers of the "National Renaissance Bulletin".

T-1 stated on February 15, 1957, that MADOLE had some new Arab literature, including pamphlets entitled, "The Kafr-Kassem Massacre", and "Murder, Rape and Devastation", printed by the Egyptian State Information Department, and stamped with the NRP stamp.

T-1 stated on March 13, 1957, that MADOLE had the February, 1957 issue of "The Scribe", which was stamped with the NRP stamp. This is a monthly magazine published by the Centre For Middle East Research, Cairo, Egypt, and he stated that MADOLE had obtained a large number of these from the Egyptian Consulate, New York City, which he has distributed through the NRP. He stated that MADOLE continues to visit the Syrian and the Arab Delegations in New York City, where he obtains literature which he distributes through the NRP with the NRP stamp upon it.

T-1 stated on March 20, 1957, that MADOLE had the latest Arab literature from the Egyptian Consulate, New York

NY 105-6112

City, stamped with the name of the NRP, including "Statement by the Egyptian Government on the Anglo-French-Israeli Aggression" and "A Decade of Defiance", the former which was printed by the Egyptian Information Department, and the latter by the Egyptian Embassy, Washington, D.C.

T-1 indicated on March 20, 1957, that MADOLE had stated sometime ago that he was approached by [redacted] and [redacted]

[redacted] about writing an article in the "National Renaissance Bulletin", in which MADOLE would attack Mayor ROBERT WAGNER's snub of King SAUD. However, now MADOLE states that he will not do this article.

T-1 added that MADOLE stated that if he did do an article for these people, that they would give him a list of persons to send it to who would contribute to the NRP. T-1 stated that [redacted] was scheduled to speak at an NRP meeting about a year ago, but cancelled the engagement by saying that he had to leave town at that time.

T-1 further stated that MADOLE also indicated that he now has a list of Algerians and has been in touch with [redacted] who is connected with the Algerians, but MADOLE stated that the Algerians have no money.

C. Other NRP Groups in the United States and Association of the NRP with Other Nationalist Groups

T-1 stated on March 13, 1957, that there is no indication that the NRP has any active groups outside of New York City, nor is there any indication that the NRP is associating or cooperating with any other nationalist groups.

FROM : BERNARD J. CONNELL, SUPERVISOR
SUBJECT: NATIONAL RENAISSANCE PARTY

THUMBNAIL SKETCH

Deadline 5/6/57

Per instructions set forth in Section 87E, paragraph 6, Manual of Instructions, the NYO must submit each year a letter advising the Bureau that a review of the thumbnail sketches being used by the NYO has been conducted and that all sketches are accurate and up to date.

The above captioned organization is among those organizations on which a thumbnail sketch has previously been submitted to the Bureau or is one on which it might be desirable to submit a sketch to the Bureau.

SA _____ is assigned to review the existing thumbnail sketch on the captioned organization to determine if it is accurate and up to date or to review the case file and prepare an original sketch in cases where this has not been done.

AIDS:

1. Review Section 87E, paragraph 6, Manual of Instructions and SAC Letter 55-33.

2. Be sure sketch conforms with report writing requirements:

a. When a source is concealed, date information was received and period to which it pertains must be shown.

b. SAC Letter 56-56 provides that in investigative reports thumbnail sketches of organizations be set forth in an appendix to the report, with T symbols eliminated. Therefore, in submitting revised or new thumbnail sketches no T symbols should be used. When it is absolutely necessary to conceal a source, phraseology such as "on 2/10/54, a confidential informant who has furnished reliable information in the past, advised---," should be used. The sources concealed should be identified at the end of the letter submitting the sketch. The concealing of sources should be held to a minimum and when reviewing old

thumbnail sketches a check should be made to see if T symbols previously used can be eliminated and the source set out by name.

c. Whenever possible similar information from a source that can be disclosed should be substituted for information from a source which must be concealed.

d. Information regarding the formation or dissolution of an organization should be attributed to corporation, tax or other official records rather than to informants or individuals where possible.

e. If an organization is defunct or has changed its "line," this should be included with the pertinent dates.

f. Current existence of organization should be shown. This usually can be done by stating the current location of organization's headquarters. The source for an organization's headquarters should not be a part of the thumbnail sketch, but should be shown at the end of the letter along with the identity of any sources which may have been concealed in the sketch.

On completion of his review, the agent will prepare a letter to the Bureau in triplicate with a copy to NY file 100-90311 (Thumbnail Sketch) (7-2) with the caption and character of the organization involved. Below the character the words THUMBNAIL SKETCH should be added. This letter should contain an accurate, current, complete thumbnail sketch of the captioned organization. The letter should open with a statement identifying the sketch as either an amended or an original sketch and should close with the statement that careful consideration has been given and sources were concealed only where absolutely necessary. At the time this sketch is dictated the stenographer should be directed to prepare a 5 x 8 card setting forth the complete thumbnail sketch. This card should also reflect the name of the organization in upper left corner, name of preparing agent, and date of preparation in top center and NY file number in upper right corner.

In cases where the present thumbnail sketch is current and no changes are made, the letter need only state this fact. However, the paragraph, "Careful consideration has

been given and sources were concealed only where absolutely necessary" must also be set out in every instance.

In cases where the previously submitted thumbnail sketch is discontinued or no longer useful the letter submitted need only state that thumbnail sketch is being cancelled.

These letters should not be dated and should be submitted to the supervisor whose squad normally handles this type of organization (in this case #1) for signing, and forwarding to Section 7-2.

All letters must reach Section 7-2 by May 6, 1957. Section 7-2 will date all letters and forward them to Bureau by cover memo.

The Desk signing each thumbnail sketch letter should also proofread, date and initial the thumbnail sketch card, which should be attached when the letter is forwarded to Section 7-2

4/5/57:

He stated that FREDERICK WEISS is preparing a new article which he will also distribute through [REDACTED] in Parkesburg, Pennsylvania. WEISS indicated he wants to prove that the Jewish desire to be powerful was so great that they sacrificed millions of their co-religionists rather than meet HITLER's demands at that time. The informant indicated that WEISS possibly is using the Na-Vet Printing Company, 547 Elizabeth Avenue, Elizabeth, New Jersey, for the printing of his material.

This informant stated that some time ago WEISS indicated that he was angry at JAMES MADOLE because MADOLE refuses to cooperate with him. WEISS said that he is thinking of writing an attack on MADOLE to the effect that he has been regularly receiving money from an agent of a Jewish organization. The informant indicated that the agent referred to by WEISS is SANFORD GRIFFITH, agent for the Anti-Defamation League in New York City, and that it is a laughable situation because WEISS himself has been working with this agent for a long time. WEISS added that this agent is going to Europe in a week or so for his organization.

It is noted that this latter information attributed to WEISS was obtained in February, 1957.

[redacted] advised on 4/29/57 that JAMES MADOLE recently indicated that he was distributing Arab literature on the night of 4/5/57 in the vicinity of East 86th Street, NYC, with about five boys, who formerly were assigned with the Nationalist Party. MADOLE indicated that "the Jews came along and then they called the cops." He stated that the policeman refused to arrest him, saying that there was no law against distributing literature. MADOLE stated he had distributed about 500 pieces of literature.

MADOLE indicated that about three months ago, "Columbia came here and took pictures of me and I was interviewed for my views on the Puerto Ricans here in NYC." The informant said he believes this was CBS Television and MADOLE indicated that, although he stated that they would televise it, he has not heard anything about it since that time and he will be happy if it is not shown on television because he stated "The Jews sent them in trying to show me up."

This source stated that MADOLE has indicated his next issue of the National Renaissance Bulletin will be dated March - April, 1957 and will deal with the Arab - Israel conflict.

MADOLE indicated to the source that he is running out of Egyptian literature and can no longer trust [redacted] to go to the Egyptian office to obtain it for him. He stated that in a short while his vacation will begin and he intends making several visits himself for additional literature. He added that the Egyptians had arranged for him to get literature in the office of the Algerians at 150 East 56th Street.

THUMBNAIL SKETCH

The following is an amended Thumbnail Sketch on the above captioned organization.

On 4/29/57, a confidential source, who has furnished reliable information in the past, stated that the National Renaissance Party is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the NYC area. He stated the party's main function is the printing and distribution of the National Renaissance Bulletin on a monthly basis and other literature from time to time, which is distributed throughout the United States and abroad where it is reprinted by similar organizations. He stated that the National Renaissance Party recently has distributed large quantities of Arab literature after stamping it with the name of the National Renaissance Party and that finance for the party's operations is partly obtained in this manner.

This source indicated the National Renaissance Party continues to maintain headquarters in the apartment of JAMES MADOLE, Apartment 8, 10 West 90th Street, NYC.

DETAILS:

I. GENERAL ACTIVITIES OF THE NATIONAL RENAISSANCE PARTY (NRP)

T-1 indicated on June 28, 1957, that the NRP continues to maintain headquarters at 10 West 90th Street, New York City, in the apartment of JAMES MADOLE, its national leader.

T-1 indicated on April 29, 1957, that the NRP is still an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area. He indicated that JAMES MADOLE, founder and leader of the Party, is the only person who constantly performs party functions. He stated the Party's main function is the printing and distribution of the National Renaissance Bulletin on a monthly basis and other literature from time to time, which is distributed throughout the United States and abroad where it is reprinted by similar organizations. He stated that the NRP recently has distributed large quantities of Arab literature after stamping it with the name of the NRP and that finance for the Party's operations is partly obtained in this manner.

T-2 indicated on May 28, 1957, [REDACTED]

[REDACTED]

b7D

Information furnished by T-2 cannot be made public except after the issuance of a subpoena duces tecum.

II. INDIVIDUALS CONNECTED WITH THE NRP

T-1 indicated on April 5, 1957, that FREDERICK WEISS, a former member of the NRP sometime ago, had indicated that he was angry at MADOLE because MADOLE refuses to

NY 105-6112

cooperate with him. T-1 said WEISS had indicated that he is thinking of writing an attack on MADOLE to the effect that MADOLE has been regularly receiving money from an agent of a Jewish organization. T-1 said the agent referred to by WEISS is SANFORD GRIFFITH, agent for the Anti-Defamation League in New York City, and that this is a laughable situation because WEISS himself has been working with this agent for a long time.

T-1 indicated on April 29, 1957, that JAMES MADOLE had indicated about three months ago that "Columbia came here and took pictures of me and I was interviewed for my views on the Puerto Ricans here in New York City". T-1 said he believes this was CBS Television and MADOLE indicated that although they stated they would televise it he has not heard anything about it since that time, and he would be happy if it was not shown on television because he stated "the Jews sent them in trying to show me up".

T-1 indicated on May 8, 1957, that the television program on which MADOLE's interview was supposed to be used was shown on May 5, 1957, on CBS Television in a program by EDWARD R. MURROW concerning the Puerto Rican problem. However, MADOLE's interview was not utilized, probably because it was highly critical of the Puerto Ricans in New York City, and this program showed only favorable comments concerning the Puerto Ricans.

T-1 indicated on May 23, 1957, that MADOLE had indicated on May 21, 1957, that his vacation was beginning and he would make the rounds of the Arab establishments to obtain new literature. He indicated he would visit the Syrian Delegation, 515 Park Avenue and the Egyptian Delegation, 900 Park Avenue, on May 22, 1957, and expected to obtain a large amount of literature. T-1 said that it appears that MADOLE is definitely an agent for the Arab nations, because of

NY 105-6112

the large amounts of their literature that he is handling and his frequent contact with Arab officials. This source said that MADOLE did visit the Syrian Delegation on May 22, 1957, and spent over an hour with [redacted] and when he left he had about 100 copies of the booklets, entitled, "The Arabs of Israel" and "Jews Fight Religion". T-1 stated that MADOLE had indicated that [redacted] had ordered 75 copies of the recent National Renaissance Bulletin.

T-1 added that he believed that [redacted] would pay MADOLE more than the regular price of 20¢ per copy for this literature. T-1 stated that after leaving the Syrian Delegation, MADOLE went to the Egyptian Consulate at 902 Park Avenue to see [redacted] but he returned a few minutes later indicating that [redacted] was not there and that he only does business with [redacted]. T-1 added that MADOLE had no literature upon returning from the Egyptian Consulate.

On May 22, 1957, Special Agents of the Federal Bureau of Investigation observed JAMES MADOLE entering the building at 515 Park Avenue in which building is located the office of the Syrian Delegation. MADOLE was observed by the agents departing from this building approximately one hour later carrying several large manila envelopes which he did not have when he entered the building. MADOLE was later observed by the agents entering the building at 902 Park Avenue, which is the address of the Consulate General of Egypt and departing from this building several moments later.

T-1 indicated on May 17, 1957, that the "New York Journal American" on May 10, 1957, in a column by LOUIS SOBOL stated that a rabble-rouser who is an undercover agent for Egypt has not registered with the State Department. T-1 indicated that in discussing this article JAMES MADOLE had stated that they probably were referring to him.

NY 105-6112

III. STATED AIMS AND PURPOSES OF THE NRP

The May, 1957 National Renaissance Bulletin contained the following on its masthead:

"Official organ of the National Renaissance Party devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice".

IV. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NATIONAL RENAISSANCE PARTY

A. Meetings

T-1 indicated on May 17, 1957, that an NRP meeting was held at the apartment of JAMES MADOLE on May 2, 1957, and that MADOLE stated he and four other boys had distributed Arab literature on East 86th Street on April 27, 1957, and had encountered no interference.

T-1 added that a meeting of the NRP was held at MADOLE's apartment on May 9, 1957, which was attended by LOUIS MOSTACCIO, JOSEPH RUDDEN and (First Name Unknown) CLARK. At this meeting MADOLE said that he had visited the Arab offices for new literature, but was not successful in getting any as they were waiting for new shipments. MADOLE stated that ~~the~~ Egyptians told him not to bring or send [redacted] for literature and they also warned MADOLE to be careful.

b6
b7C

T-1 indicated on June 11, 1957, that a meeting of the NRP was held at MADOLE's apartment on May 23, 1957, which was attended by MOSTACCIO, RUDDEN and a Mr. BAILEY. He stated this was BAILEY's first meeting and he later invited MADOLE to his home for dinner at 1574 First Avenue. T-1 stated that [redacted]

NY 105-6112

an official of the Algerians had promised MADOLE that he would attend one of the Thursday night meetings and MADOLE had obtained literature from [redacted] entitled, "The Kingdom of Saudi-Arabia" and "Saudi-Arabian News", dated March, 1957.

T-1 indicated on June 24, 1957, that a NRP meeting was held at the apartment of JAMES MADOLE on June 13, 1957, which was attended by about six persons. He indicated that Mr. BAILEY was again present and tried to impress MADOLE with his knowledge of the segregation situation in the South. T-1 also indicated that a NRP meeting was held at MADOLE's apartment on June 20, 1957, which was attended by about six persons, and that MADOLE had no new Arab literature at this meeting.

B. Publications

T-1 indicated on April 29, 1957, that MADOLE recently indicated he had distributed Arab literature on the night of April 5, 1957, in the vicinity of East 86th Street with about 5 individuals. MADOLE indicated "the Jews came along and then they called the cops". MADOLE said the policeman refused to arrest them saying there was no law against distributing literature. MADOLE indicated they had distributed about 500 pieces of literature on this occasion.

T-1 added that MADOLE had indicated he is running out of Egyptain literature and can no longer trust [redacted] to go to the Egyptain office to obtain it for him. T-1 said MADOLE indicated that in a short while his vacation would begin and he intended making several visits himself for additional literature and said the Egyptains had arranged for him to get literature in the office of the Algerians at 150 East 56th Street.

NY 105-6112

T-1 indicated on May 6, 1957, that the March-April, 1957 issue of the National Renaissance Bulletin is presently being distributed by MADOLE. He said this issue contained one article entitled, "Israel, The Vampire State of the Middle East", by JAMES H. MADOLE. T-1 said this article is anti-Zionist and anti-Israel and indicated that large sums of money are being drained from American and other countries of western Europe by Israel.

T-1 indicated on June 10, 1957, a recent sheet printed by CONDE MC GINLEY of Union, New Jersey, for the subject group was entitled, "The Jewish Peril". He said this was a single sheet with anti-Jewish statements on one side and anti-Jewish ^{CARICATURES} ~~characteristics~~ on the other side. T-1 added that ~~those~~ ^{CARICATURES} had been used by [redacted] a former NRP member several years ago, in similar NRP literature.

b6
b7C

T-1 indicated on June 26, 1957, that the National Renaissance Bulletin dated May, 1957, was currently being distributed by MADOLE and contained one article entitled, "Modernist Christianity Seeks To Undermine Racial Pride", by JAMES H. MADOLE.

He advised that this program came on the air following the world championship, heavyweight, boxing match.

According to [REDACTED], the speaker made statements which he feels indicate that the National Renaissance Party has for one of its aims the overthrow of the present form of government in this country. He advised that MADOLE had outlined the objectives of the captioned organization as being "economic, judicial and cultural." Among the changes proposed by MADOLE were the abolition of free elections; the placing of prominent Americans, such as DOUGLAS MAC ARTHUR, in office and the deportation, to their country of origin, of "Negroes and Puerto Ricans."

He stated that JAMES MADOLE, leader of the National Renaissance Party, indicated that to date he has received \$214.00 in donations resulting from his TV appearance in July. He stated that most of this money came from unknown persons which meant that they are not MADOLE's regular mailing list. He added that MADOLE also received 39 new subscriptions for the bulletin as a result of his TV appearance. He stated that MADOLE is presently working on a new bulletin which will deal on segregation and his version of his TV appearance. He stated that one article would be entitled "NRP Leader Speaks on TV and Radio". This article will state that for the first time in history the censorship bars of TV and radio were dropped temporarily to permit MADOLE to speak for the obvious purpose of making the NRP appear to be led by a crackpot and madman.

The second article would be entitled "A New Black Plague Threatens American Cities", which stated that the southern Negroes influenced and exploited by the Jews are sponsoring the NAACP.

[redacted] indicated on 10/9/57, that a meeting of the National Renaissance Party had been held at the home of JAMES MADOLE, 10 West 90th Street, NYC, on 10/3/57. He stated the following persons were present:

JOE RUDDEN
DE KRUIF
PETERS
D'ANGELO
CAMORROTTA
TITTA (phonetic), a friend of D'ANGELO

MADOLE stated that he is continuing to be active with regard to the segregation issue in the South and that he had sent literature to [redacted] Little Rock, Arkansas, whom MADOLE stated is [redacted] in the White Citizens Council of Little Rock. MADOLE further stated that he is preparing a new National Renaissance Bulletin which will be ready for mailing in a few days. This source added that MADOLE had originally planned to devote this issue to an attack upon the American Legion, but was apparently moved into changing this issue to deal with segregation. This source said he was not able to learn whether the decision to continue writing on the segregation issue was MADOLE's decision alone or whether he had been influenced by some one. He stated, however, MADOLE appears to be taking advantage of the great notoriety on segregation caused by the Little Rock incident and he hopes to obtain new subscriptions to his bulletin and contributions by exploiting this present publicity.

This source stated that the new bulletin was entitled "Eisenhower Sets Up a Military Dictatorship in Arkansas", by JAMES H. MADOLE. He indicated that in this article, MADOLE stated that EISENHOWER, like TRUMAN and ROOSEVELT before him, has proceeded to tamper the civil rights of white gentile Americans because of extreme pressure from every Jewish organization. He indicated that the brutal suppression of segregationist leaders JOHN KASPER and [REDACTED] in Nashville indicate the police state methods used by the Jewish dominated Supreme Court and the EISENHOWER ganster regime in Washington. He also stated that the FBI is trying to frame up a new sedition trial by accusing leading citizens of Little Rock of conspiracy to foment rebellion against a court order to integrate Central High School. DETAILS:

I. GENERAL ACTIVITIES OF THE NATIONAL
RENAISSANCE PARTY (NRP)

T-1 indicated on September 27, 1957, that JAMES MADOLE continues to operate the NRP from his apartment at 10 West 90th Street, New York City. He stated that MADOLE is the national leader and this address is the only headquarters of the party. He indicated further that no public meetings of the party have been held during the past months and the main activity of the party has been the distribution of the National Renaissance Bulletin dated June-July, 1957, as well as distribution of various Arabic publications which MADOLE has received from Arab officials and has distributed through NRP sources after stamping this literature with the name of the NRP.

T-1 indicated on July 19, 1957, that MADOLE recently complained about the slowdown in business for NRP literature. MADOLE indicated he is getting very little mail and no donations, but blames the weather conditions for this situation.

MADOLE indicated he has recently been in touch with Saudi-Arabians and has met two or three of the officials. He stated that one of the Saudi-Arabians, who had promised to speak at a meeting of the NRP and then excused himself by indicating that he was leaving town, had finished a new booklet, copies of which MADOLE expected to receive in the near future. T-1 added that the individual referred to by MADOLE is undoubtedly [REDACTED]

b7C

JAMES MADOLE of the NRP was interviewed by JOHN WINGATE on the television program, "Night Beat," channel 5, on July 30, 1957. WINGATE questioned MADOLE about the NRP and referred frequently to statements made in the House Un-American Activities Committee Report of December 19, 1954. MADOLE stated during this interview that he is a fascist and wants to abolish the existing constitution, but he did not state how this would be accomplished.

NY 105-6112

MADOLE stated his party stood for racial nationalism and social justice. MADOLE indicated that the NRP was opposed to Jews because they maintained "dual citizenship," and he was opposed to Puerto Ricans because they are a "mongrel race."

WINGATE attempted to obtain from MADOLE a statement concerning the number/members in the NRP, but MADOLE evaded answering this question and also would not indicate in what manner the party gained its support.

[redacted] advised on July 31, 1957, that radio station WCBS had carried a program on July 29, 1957, which contained an address by JAMES MADOLE, delivered in behalf of the captioned organization. He stated that from statements made by MADOLE, he believed the NRP had for one of its aims the overthrow of the present form of government in this country. He advised that MADOLE had outlined the objectives of the organization as being "economic, judicial and cultural." He said among the changes proposed by MADOLE were the abolition of free elections, the placing of prominent Americans, such as DOUGLAS MAC ARTHUR, in office and the deportation of the Negroes and Puerto Ricans to their country of Origin.

b6
b7c

T-1 indicated on August 28, 1957, that MADOLE indicated to date that he had received \$214.00 in donations resulting from his television appearance in July. He said that most of this money came from unknown persons, which meant that they are not on the NRP's regular mailing list. He added that MADOLE had received 39 new subscriptions for the National Renaissance Bulletin as a result of his television appearance.

T-1 further indicated that MADOLE is presently working on a new bulletin which will deal with segregation as well as his version of his television appearance. T-1 said that one article would be entitled, "NRP Leader Speaks on TV and Radio." This article would state that for the first time in history, the censorship bars of TV

NY 105-6112

and radio were dropped temporarily to permit MADOLE to speak for the obvious purpose of making the NRP appear to be led by a crack pot and mad man.

T-1 said the second article would be entitled, "A New Black Plague Threatens American Cities," which stated that the Southern Negroes are being influenced and exploited by the Jews who sponsor the National Association for the Advancement of Colored People.

T-2 indicated on [REDACTED]

The information furnished by T-2 should not be made public except after the issuance of a subpoena duces tecum.

II. INDIVIDUALS CONNECTED WITH THE NRP

JAMES MADOLE was observed by a Special Agent of the FBI leaving the building at 271 Madison Avenue, New York City, at 5:00 p.m. on September 24, 1957.

Telephonic inquiry on August 27, 1956, to L.F. DOMMERICK Company, 271 Madison Avenue, New York City, revealed that JAMES MADOLE was employed at this firm.

T-1 indicated on August 28, 1957, that [REDACTED] had visited the apartment of JAMES MADOLE recently and was accompanied by a 16 year old boy. T-1 said that [REDACTED] allegedly had visited JOHN KASPER several months ago in the south and KASPER had encouraged [REDACTED] to organize citizens councils in New York City. T-1 said that MADOLE had indicated that [REDACTED] is using the mailing address of [REDACTED]

MADOLE indicated that he wants nothing further to do with this individual because of his [redacted]

It is noted that JOHN KASPER was convicted on July 23, 1957, at Knoxville, Tennessee, of contempt of court for violating a Federal court integration order.

T-1 advised on September 27, 1957, that MADOLE had recently received a request from a lawyer named ARCHIBALD COOTY, 776 North West Street, Jackson, Mississippi, for segregation literature. T-1 said that MADOLE sent him 300 copies of a sheet entitled, "Exploiting the Perils of Racial Integration."

III. STATED MEANS AND PURPOSES OF THE NRP

The June-July National Renaissance Bulletin carried the following on its masthead, "Official organ of the National Renaissance Party devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice."

IV. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

A. Meetings

T-1 indicated on September 11, 1957, that MADOLE said he would attempt to obtain a meeting room at Steinway Hall, New York City, to hold the NRP public meeting on either September 20 or 27, 1957.

NY 105-6112

Miss GLORIA BONIFAZIO, Steinway Hall, New York City, indicated on September 13, 1957, that neither MADOLE nor anybody else connected with the NRP had made a reservation for September 20 or 27, 1957.

T-1 indicated on September 27, 1957, that MADOLE indicated he would not hold an NRP public meeting until next month after his bulletin is ready for mailing and distributio.

T-1 stated on September 19, 1957, an NRP meeting was held on September 12, 1957, at MADOLE's apartment, 10 West 90th Street, New York City, and the only persons in attendance were JAMES MADOLE, GRACE MADOLE, JOE RUDDEN and FNU PETERS. MADOLE indicated that he was preparing the next National Renaissance Bulletin and it would attack the American Legion because MADOLE claimed tha the Legion during its recent convention in Atlantic City had filed a motion or resolution demanding that the Attorney General place the NRP on the subversive list.

B. Publications

T-1 indicated on August 30, 1957, that the NRP Bulletin dated June-July, 1957, contains two articles entitled, "NRP Leader Speaks on Television and Radio" and "A New Black Plague Threatens American Cities." He indicated these articles were written by JAMES H. MADOLE and had been printed for the NRP by Conde McGinley, Editor of "Common Sense."

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, which was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism," and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

NY 105-6112

T-1 indicated on September 27, 1957, that MADOLE had a thousand leaflets printed by BILL MC GINLEY at the offices of "Common Sense" in New Jersey. He stated these leaflets were entitled, "Exploiting the Perils of Racial Integration" and were signed by the NRP at the bottom. One side of this leaflet carried 10 cartoons showing their version of the progress made via integration and miscegenation.

T-1 further indicated that MADOLE had received the latest "Newsletter" from the Palestine Arab Refugee Office, New York City, and was distributing it through NRP channels after stamping it with the NRP stamp.

It is noted that in June, 1955, the Palestine Arab Refugee Office, 801 Second Avenue, New York City, registered with the Foreign Agents Registration Section, United States Department of Justice as an agent of the Arab Palestine Office for Refugees, Beirut, Lebanon.

C. Other NRP Groups in the United States and
Association of the NRP with Other Nationalist Groups

No information has been received during the period of this report indicating that the NRP has any activity outside New York City or that it has attempted to associate with other nationalist groups.

On November 19, 1957, Mr. HENRY FLOWERS, former Special Agent of this Bureau and head of the Credit Bureau, 525 S. President Street, Jackson, Mississippi, advised [redacted] that there is no credit record for ARCHIBALD COODY, 776 Northwest Street, Jackson, Mississippi. However, the files contained the following record for ARCHIBALD S. COODY, 776 Northwest Street, Jackson, Mississippi.

COODY is a sixty year old white male, and for the past thirty seven years has been employed as Secretary of the Mississippi State Tax Commission. His salary was listed as \$500.00 per month. The file reflected that COODY is paid to be a very fine person. His wife is listed as DELIA V. COODY. The file contains no derogatory information concerning COODY.

Mr. FLOWERS said that he has known Mr. COODY for many years and that COODY has now retired from his position.

It is pointed out that the credit record for ARCHIBALD S. COODY referred to above is apparently that for the ARCHIBALD COODY set out in referenced New York letter.

Re: White Citizens' Councils

It is noted that "Common Sense", published by the Christian Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

This memorandum is loaned to you by the Federal Bureau of Investigation and neither it nor its contents are to be distributed outside the agency to which loaned.

DETAILS:

I. GENERAL ACTIVITIES OF THE NATIONAL
RENAISSANCE PARTY (NRP)

T-1 indicated on December 9, 1957, that the NRP continues to maintain headquarters at 10 West 90th Street, New York City, in the apartment of JAMES MADOLE, its national leader. He indicated that no public meetings of the NRP had been held during the past months although MADOLE continues to hold periodic meetings at his apartment, which are attended by a small number of members. T-1 added that the principal activity of the Party during recent months has been the distribution of the August - September and October - November NR Bulletins.

T-2 indicated on October 30, 1957, [redacted] at the apartment of JAMES MADOLE, 10 West 90th Street, New York City. He said [redacted] he added that the Party apparently has very little organization at present and he does not know where the money comes from which MADOLE uses to operate the Party. He said, however, that in the past, FRED WEISS, a member of the NRP, and others, whom he does not recall, indicated to him that the Anti-Defamation League in New York City was furnishing money to MADOLE for operation of the NRP.

T-2 indicated that he did not know how this money was given to MADOLE and does not know if any agents of the Anti-Defamation League are members of the NRP. He said MADOLE appears to be in complete charge of the Party's activities and leads the discussions which are held at the meetings. He added that MADOLE attempts to induce persons to attend these meetings by offering them free beer at his apartment on Thursday evenings and from time to time, has told those attending that [redacted] and other girls would attend these meetings. It is noted that [redacted] formerly attended NRP meetings and was [redacted]

[redacted] Information furnished by T-3 should not be made public except after the issuance of a subpoena duces tecum.

[redacted] and [redacted]
Central Intelligence Corps, New York City, indicated on November 14, 1957, that JAMES MADOLE had been interviewed by them at his apartment at 10 West 90th Street on November 6, 1957, and had indicated the following:

b6
b7C

They stated that MADOLE had been listed by one [redacted] as a reference on an Army questionnaire. MADOLE stated that he had never met [redacted] but they had corresponded when [redacted] joined the NRP in 1956. MADOLE said that [redacted] at that time was residing in [redacted] and had been made chairman of the [redacted] chapter of the NRP by MADOLE. MADOLE stated that he knew nothing about [redacted] except what he had read in [redacted] letters to him. MADOLE also stated that the NRP stands for dictatorship and that this dictatorship is the solution to the problems in the United States. He indicated, however, the Party does not advocate the violent overthrow of the government and he stated that if the NRP were in power, they would "kill all the Jews and ship the Negroes and Puerto Ricans back to the countries of their origin." MADOLE declined to answer any questions concerning the present strength or membership of the NRP. He did advise that he visited the Syrian Consulate in New York City, where he was given literature and that the Syrians buy his literature for distribution in Syria and Egypt, because they as he, are anti-Jewish and nationalistic in nature.

NY 105-6112

II. INDIVIDUALS CONNECTED WITH THE NRP

T-1 indicated on October 24, 1957, that JAMES MADOLE had been in bed with asthma and the flu for several days. He said that GRACE MADOLE indicated that she was arranging for an ambulance to take her son to the hospital because it is usually necessary to place him in an oxygen tent when these asthma attacks occur, as they have in the past.

T-1 indicated on October 25, 1957, that MADOLE was taken from his home by ambulance to St. Lukes Hospital, 113th Street and Amsterdam Avenue, on October 24, 1957.

T-1 indicated on October 30, 1957, that MADOLE was brought home from the hospital on this date and apparently is recovered from his illness, which was a combination of flu and asthma.

T-1 indicated on December 9, 1957, that MADOLE is again ill at home with an asthma attack and has not worked for several days.

T-1 indicated on November 19, 1957, that one [redacted] from [redacted] had recently visited MADOLE at his apartment. T-1 indicated that [redacted]

[redacted] was described as [redacted] and according to MADOLE he has attended NRP meetings held at Steinway Hall, New York City, in the past. T-1 said MADOLE indicated that [redacted] visited England about a month ago, where he visited Sir OSWALD MOSELEY's headquarters and brought back some literature for MADOLE. T-1 described Sir OSWALD MOSELEY as a well-known Fascist leader in England.

NY 105-6112

The following investigation concerning ARCHIBALD S. COODY was conducted at Jackson, Mississippi, on November 19, 1957:

HENRY FLOWERS, former SA of this Bureau and head of the Credit Bureau, 520 South President Street, Jackson, Mississippi, advised SA [REDACTED], that there is no credit record for ARCHIBALD COODY, 776 Northwest Street, Jackson, Mississippi, however, the files contained the following for ARCHIBALD S. COODY, 776 Northwest Street, Jackson, Mississippi:

b6
b7c

COODY is 60 years old, white, male and for the past 37 years has been employed as secretary of the Mississippi State Tax Commission and his salary was listed as \$500 per month and his wife is listed as DELIA V. COODY. His file contained no derogatory information concerning COODY. Mr. FLOWERS added that he has known COODY for many years and that COODY has now retired from his position.

T-1 indicated on October 18, 1957, that JAMES MADOLE and GRACE MADOLE and JOSEPH RUDDEN had attended a meeting on October 13, 1957, held at the headquarters of "Common Sense" in Union, New Jersey. He stated this meeting was presided over by CONDE MC GINLEY, Editor of "Common Sense" and was attended by about 75 persons. He said that MADOLE was not called on as a speaker and he was quite disappointed because he had been overlooked. T-1 further stated that MC GINLEY had printed 500 copies of the August - September NR Bulletin consisting of 5 pages at a cost to MADOLE of \$25.

NY 105-6112

T-1 indicated on December 3, 1957, that MADOLE indicated that at least 10 persons had told him that [redacted] has been selling information to anyone who will buy it. MADOLE commented that he could well believe this because [redacted] has a [redacted]

b6
b7c

[redacted] MADOLE indicated that CONRAD GRIEB had recently visited him looking for [redacted] who owed him \$20 for books which he had purchased from GRIEB. T-1 identified GRIEB as an old time Fascist who has been distributing anti-Semitic literature for many years.

III. STATED AIMS AND PURPOSES OF THE NRP

The October - November, 1957 NR Bulletin contained the following on its masthead, "Official organ of the NRP devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice."

IV. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

A. Meetings

T-1 indicated on October 9, 1957, that a meeting of the NRP had been held at the apartment of JAMES MADOLE, 10 West 90th Street, New York City, on October 3, 1957. He stated the following persons were present:

JOE RUDDEN
TONY D'ANGELO
PAUL DE KRUIF
CAMORROTTA and PITTA, a friend of D'ANGELO,

NY 105-6112

MADOLE indicated to the gathering that he is continuing to be active with regard to the segregation issue in the South and that he has sent literature to [redacted] of Little Rock, Arkansas, whom MADOLE stated is [redacted] the White Citizens Council in Little Rock. MADOLE added that he is preparing a new bulletin which will be ready for mailing in a few days. T-1 added that MADOLE had originally planned to devote this issue to an attack on the American Legion but was apparently moved to changing this issue to deal with segregation. T-1 said that he was not able to learn whether the decision to continue writing on segregation was MADOLE's decision alone, or whether he was influenced by someone. He stated, however, MADOLE appears to be taking advantage of the great notoriety on segregation caused by the Little Rock incident and he hopes to obtain new subscriptions to his bulletin and contributions by exploiting this present publicity.

b6
b7c

T-2 indicated on December 6, 1957, that a meeting was held at MADOLE's apartment on December 5, 1957, which was attended by JOE RUDDEN, GRACE MADOLE, FNU PETERS, TONY PITTA and RALPH CHINELLI. T-2 added that CHINELLI lives in Brooklyn, and he believes that he has been active in the NRP for some period of time.

B. Publications

T-1 indicated that on October 15, 1957, the August - September NR Bulletin was being distributed by MADOLE. He said this bulletin was entitled "EISENHOWER Sets Up A Military Dictatorship In Arkansas" by JAMES H. MADOLE. He said that MADOLE stated in the article that EISENHOWER like TRUMAN and ROOSEVELT before him has proceeded to trample the civil rights of white Gentile Americans because of extreme pressure by every Jewish organization. He indicated that the brutal suppression of segregation. . . . leaders, JOHN KASPER and [redacted] in Nashville, indicated the Police State methods used by the Jewish dominated Supreme Court and the EISENHOWER gangster regime in Washington. He also stated that the FBI is trying to frame up a new sedition trial by accusing leading citizens of Little Rock of conspiracy to foment rebellion against a court order to intergrate Central High School. The article also stated the FBI is carrying out inquisitions which even arrests and holds teenage girls incommunicado over night.

NY 105-6112

T-1 indicated on November 12, 1957, that MADOLE indicated he has prepared the next bulletin concerning the Pope in Rome, and that MC GINLEY, of "Common Sense," would do the printing for him. MADOLE indicated however that

[REDACTED] had wanted to look the material over before it was printed because this bulletin also included some material about Jordan being a tool of the EISENHOWER doctrine. MADOLE stated that the Egyptians had returned the script and made only some slight changes. The Egyptians had indicated to MADOLE that they would reprint this bulletin in the Cairo newspapers and MADOLE said he intended it should go to the printers on November 26, 1957. T-1 indicated on December 3, 1957, that MADOLE stated the new bulletin would be delayed because all of the Arab material previously printed for this issue had been eliminated and the issue would be devoted entirely to the Church. He said MADOLE would devote a full bulletin later to the Arabs. T-1 added the title of the article in this current bulletin would be "The Catholic Church Verses Racial Nationalism".

b6
b7C

T-1 indicated that this article is anti-Semitic and anti-Religion. He said that MADOLE has been preaching the anti-Christianity of Nietzsche for a long time and it is more apparent now that he has come under the influence of CHARLES SMITH, Editor of the "Truth Seeker", who is a New York City fanatic presently on an all-out campaign against equality and the spreading of anti-Semitism. T-1 added MADOLE indicated that he had attended a meeting held November 8, at Pythian Hall, New York City, sponsored by CHARLES SMITH and that MADOLE had spoken at this gathering against the Jews.

NY 105-6112

On October 21, 1957, ELMER A. BLOMGREN, Executive Secretary, Young Men's Christian Association (YMCA), Ithaca, New York, advised SA PETER F. MAXSON that copies of a circular entitled "Why Are 90 Per Cent of Communists Jews" and other anti-Semitic literature had been found placed in the periodicals in the YMCA reading room.

On October 24, 1957, LOWELL GEORGE, Proctor, Cornell University, advised SA MAXSON that similar material had been found in the Mann Library at Cornell University. The above-mentioned circulars were all stamped as having been distributed by the subject organization and the above sources stated the identity of the person distributing this material is unknown.

C. Other NRP Groups in the United States
and Association of the NRP Other Nationalist
Groups.

T-4 advised on October 21, 1957, that the Seaboard White Citizen Council planned to picket the Supreme Court in Washington, D.C., on November 1, 1957. He said requests had been sent to out-of-town groups to participate in this picketing, including the NRP.

T-1 indicated on October 24, 1957, that there had been no mention by MADOLE of any plans to go to Washington in connection with a White Citizens Council demonstration on November 1, 1957. T-1 added that it would be impossible for MADOLE, himself, to take part in such a demonstration because of his health at present and that no one else connected with the NRP would participate without MADOLE. T-1 further stated that it is highly unlikely that MADOLE would cooperate with the Citizens Council, regardless of his health, as he has never shown any desire in the past to align the NRP with any other nationalist groups. MADOLE had stated that he definitely would not attend a Citizens Council, meeting, to be held at Columbia University on October 30, 1957.

NY 105-6112

No other information has been received during the period of this report indicating that the NRP has any activity outside New York City, or that it has attempted to associate with other nationalist groups.

NY 105-6112

APPENDIX

The Seaboard White Citizen Council was operated by JOHN KASPER, a noted segregationist, who was convicted on July 23, 1957, at Knoxville, Tennessee, of contempt of court for violating a federal court integration order.

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, which was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism," and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

that James Madole, leader of the National Renaissance Party had attended a meeting on 1-10-58 at Pythian Hall sponsored by an atheist group headed by Charles Smith. He said Madole was accompanied by about 15 of his boys and stated to these persons that he has no intention of trying to take over Smith's group but hopes to speak regularly at Smith's meetings thus saving himself the trouble and expense of organizing public meetings of his own.

Madole spoke along anti-Semitic lines at this meeting and Smith who is quite elderly and ill attended but did not speak.

1. "Strife In the Holy Land", the May, 1957, article of the Arab League of 22 pages.
2. "Notes on the Suez Canal Controversy", by Dr. Fayerz A. Sayegh, a November, 1956, booklet of the Arab League containing 18 pages.

He stated that JAMES MADOLE, leader of the National Renaissance Party (NRP) has finished the January, 1958 National Renaissance Bulletin consisting of one article entitled "Zionism, the Jewish Colossus Which Dominates the Western World" by JAMES H. MADOLE.

MADOLE indicated a copy would go to CONDE MCGINLEY on January 20, to be mimeographed at the office of "The Common Sense" in Union, New Jersey.

The source indicated that MADOLE'S article refers to the recent Afro-Asian Conference held in Cairo as being the condemnation of the Western support of the illegitimate state of Israel, the Baghdad Pact and the Eisenhower Doctrine.

MADOLE indicates that the Jewish race constitutes a world-wide network of subversive aliens who by their action are driving more than one billion Afro-Asians into the Soviet orbit. This source added that MADOLE calls President Eisenhower a fawning tool of organized Zionism and that "THE" helped Zionism during World War II.

MADOLE questions why the US should consider relations with the Soviet Union objectionable when during World War II America had no misgivings

[REDACTED] indicated on 2/4/58, that a mass meeting had been held on Sunday, 1/26/58, at the headquarters of "Common Sense" in Union, New Jersey. He stated that JAMES MADOLE had attended this meeting with about eight members of the National Renaissance Party. He stated that Madole was the first speaker at this meeting and went on for about fifteen minutes with the National Renaissance Party line. He indicated that the white race would rule and that the Jew is our enemy. He also stated that the Mexicans, Puerto Ricans, and other prototypes in South America and Asia would have to accept the inevitable or they would be exterminated. Madole further stated that, "we will have to seize power, show no weakness, and no pity."

b2
b7D

This source added that in a discussion with several people before the meeting, Madole stated that the National Renaissance Party stands for the "corporate state and the rule of the white race". He attacked Christianity as being a total myth and praised the Vikings, Romans, and Germany under HITLER, and predicted that "in order to survive we will have to conjure another HITLER and having learned from the past by our mistakes and weaknesses, that we will win this time."

MADOLE also stated that "Communism and Zionism are polluting the white race and the world doesn't need Jews, Puerto Ricans, and all that scum which is slowly weakening the white race".

He stated that one [redacted] from [redacted] [redacted] had recently visited James Madole, leader of the National Renaissance Party. [redacted] was described by this source as a United States Marine, [redacted] and he referred to himself as [redacted]

The source said that [redacted] formerly attended National Renaissance meetings at Steinway Hall, New York City, according to Madole. Madole further indicated to the source that [redacted] visited England about a month ago, where he visited Sir Oswald Moseley's Headquarters and brought back some literature for Madole. This source indicated that Moseley is a well known fascist leader in England.

The above confidential source advised on April 29, 1957, that the National Renaissance Party is an anti-semitic, anti-negro, neo-fascist organization with activities generally confined to the New York City area. He indicated that James Madole, founder and leader of the Party, is the only person who consistently performs Party functions. He stated the Party's main function is the printing and distribution of the National Renaissance Bulletin on a monthly basis, and other literature from time to time which is distributed throughout the United States and abroad where it is reprinted by similar organizations. INFORMATION CONCERNING

On 3/16/58, SA [REDACTED] and the writer interviewed [REDACTED] at the New York Office. [REDACTED] advised the interviewing Agents that he desired to discuss matters pertaining to the Internal Security of the United States, and related the following. It is noted that [REDACTED] throughout the interview professed an inability to recall dates with any particular accuracy.

[REDACTED] advised that in approximately 1952-1953 he heard BARRY GRAY denounce the National Renaissance Party (NRP) during a radio broadcast, and disliking GRAY, decided to investigate the NRP on the ground that "if Gray disliked it, it must be okay."

[REDACTED] continued that he attended a function at the home of one [REDACTED] at which affair the latter introduced him to JAMES H. MADOLE, National Director, NRP, 10 West 90th Street, New York. Since joining the NRP, [REDACTED] has attended the weekly meetings at 10 West 90th Street, New York, regularly.

About the time [REDACTED] was contemplating affiliation with the NRP, he subscribed to the "Daily Worker" in order to "hear both sides of the story". [REDACTED] when pressed to the subscription period involved, decided after some deliberation that the date must have been 1952-1953.

The February, 1958, NR Bulletin contained the following on its masthead: "official organ of the National Renaissance Party devoted to restoration of the American Republic, preservation of American sovereignty and the establishment of a American regime based on the principles of racial nationalism and social justice".

IV. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

A. Meetings

T-1 indicated on January 13, 1958, that JAMES MADOLE had attended a meeting on January 10, 1958, at Pythian Hall, sponsored by the Truth Seeker, an atheist group headed by CHARLES SMITH. He said that MADOLE was accompanied by about 15 of his boys, but MADOLE indicated to these persons that he had no intention of trying to take over SMITH's group. MADOLE, however, indicated he hopes to speak regularly at these meetings, thus saving himself the trouble and expense of organizing public meetings of his own.

T-1 added that MADOLE spoke at this meeting along his usual anti-semitic line, and CHARLES SMITH, who is quite elderly and ill, attended the meeting, but did not speak.

JAMES MADOLE was observed by Special Agents of the FBI leaving his residence at 10 West 90th Street, New York City, on January 10, 1958, with five other persons and proceeding to Pythian Hall, Broadway and West 70th Street, New York City, where he was observed to enter.

NY 105-6112

T-2 stated on January 20, 1958, that he attended a meeting at Pythian Hall on January 10, 1958, at which about 35 people were in attendance including JAMES MADOLE, RALPH CHINELLI, JOE RUDDEN, PAUL DE KRUIF, FRED D'ANGELO and TONY PITTA, all members of the NRP. T-2 stated that MADOLE previously had requested that all his followers attend this meeting, and that MADOLE spoke before this gathering along his usual anti-semitic line.

T-2 indicated on January 27, 1958, that he had attended a meeting on January 26, 1958, at Union, New Jersey, sponsored by "Common Sense". He stated MADOLE had invited members of the NRP to attend and some of those in attendance were GRACE MADOLE, JOE RUDDEN, Mrs. CROOKES, RALPH CHINELLI, DUFFY and LITTL. T-2 added that MADOLE spoke briefly at this meeting utilizing the NRP line of anti-semitism.

T-2 indicated on January 10, 1958, that a meeting of the NRP was held [redacted] which was attended by MADOLE, GRACE MADOLE, JOE RUDDEN, RALPH CHINELLI and an unknown friend of CHINELLI, TONY PITTA and FRED D'ANGELO. MADOLE indicated during this meeting that he is thinking of taking over a group which is headed by a man named SMITH, who is quite elderly, and asked all his followers to attend a meeting of this group at Pythian Hall on January 10, 1958.

b7D

T-1 indicated on February 3, 1958, that a mass meeting had been held on Sunday, January 26, 1958, at the headquarters of "Common Sense" in Union, New Jersey. He said MADOLE had attended this meeting with about eight members of the NRP. He said MADOLE was the first speaker at the meeting and went on for about 15 minutes on the NRP line to the effect that the white race would rule, and that the Jew is the enemy of the white man. MADOLE also stated that Mexicans, Puerto

NY 105-6112

Ricans and other prototypes in South America and Asia would have to accept the inevitable or they would be exterminated. MADOLE stated "We will have to seize power, show no weakness and no pity."

T-1 added that in a discussion with several people before the meeting MADOLE had stated that the NRP stands for the "corporate state and the rule of the white race". He attacked Christianity as being a total myth and praised Vikings, Romans and Germans under Hitler, and he predicted that in order to survive "We will have to conjure another Hitler and having learned from the past by our mistakes and weaknesses, that we will win this time." MADOLE also stated that "Communism and Zionism are polluting the white race and the world doesn't need Jews, Puerto Ricans and all that scum which is slowly weakening the white race."

T-1 indicated on February 20, 1958, that the "Truth Seeker" group held a meeting on February 14, 1958, at Pythian Hall, New York City. He said JAMES MADOLE attended with about eight other members of the NRP, and that MADOLE spoke his usual lines attacking the Jews, Negroes and Puerto Ricans as unassimilable people.

T-1 indicated on March 10, 1958, that MADOLE indicated that he would attend a National Review Forum to be held at Hunter College on March 20, 1958. MADOLE stated that he and some of his boys would pass out NRP literature on the sidewalk prior to this meeting. It is noted that the "National Review", 211 East 37th Street, New York City, states that it is "the weekly magazine of conservative opinion". MADOLE also indicated he would attend a "Truth Seeker" meeting on March 14, 1958, and take members of the NRP to this meeting.

NY 105-6112

A Special Agent of the FBI observed JAMES MADOLE, [redacted] and an unidentified person named [redacted] in attendance at the National Review Forum, Hunter College, on March 20, 1958. These three individuals were observed on the sidewalk outside Hunter College distributing literature to persons as they departed from this meeting. The literature distributed was in the form of various NR Bulletins and Arab literature stamped with the name of the NRP.

T-1 stated on March 21, 1958, that a meeting was held at Pythian Hall on March 14, 1958 by the "Truth Seeker" group also called the Ingersoll Forum. He stated that JAMES MADOLE attended with a large group of his followers. He stated that MADOLE spoke at this meeting and distributed many copies of Arab literature, which had been stamped with the name of the NRP.

T-1 added that [redacted] an NRP member, also spoke briefly, but was very ineffectual and was barely audible. T-1 added that MADOLE appears very happy with his relationship with this group inasmuch as he does not have to pay any rental to attend these meetings and uses these meetings as his sounding board and a place where he can distribute his NRP as well as Arab literature.

B. Publications

T-1 indicated on January 17, 1958, that JAMES MADOLE recently made the rounds of the Arab establishments in New York City and had obtained the following literature, which he rubberstamped with the name of the NRP and which he would presumably distribute through NRP channels:

1. "Strife In The Holy Land", the May, 1957 article of the Arab League.

NY 105-6112

2. "Notes On The Suez Canal Controversy" by Dr. FAYEZ A. SAYEGH, November 1956 booklet of the Arab League containing 18 pages.

3. "The Aspirations Of The People Of North Africa", by MUHAMMAD H. EL FARRA, which is a reprint from a July, 1956 magazine.

4. "Statement Before The Special Political Committee Of The United Nations", by Dr. IZZAT TANNOUS., Director of the Palestime Arab Refugee Office in New York, dated November 28, 1957.

T-1 indicated on January 20, 1958, that MADOLE had finished the January, 1958 NR Bulletin consisting of one article entitled, "Zionism, The Jewish Colossus Which Dominates The Western World", by JAMES H. MADOLE.

T-1 said MADOLE indicated the proof copy would go to CONDE MC GINLEY on January 20, 1958, to be mimeographed at the office of "Common Sense". T-1 said this article refers to the recent Afro-Asian Conference held in Cairo as being the condemnation of western support of the illegitimate state of Israel, the Baghdad Pact and the Eisenhower Doctrine. In the article, MADOLE indicates that the Jewish race constitutes a world-wide network of subversive aliens who by their action are driving more than one billion Afro-Asians into the Soviet orbit. T-1 said that MADOLE calls President EISENHOWER a "fawning tool of organized Zionism" and states that IKE helped Zionism during World War II.

MADOLE also questions that the United States should consider relations with the Soviet Union objectionable at this time when during World War II, American had no misgivings about collaborating with Russia. MADOLE states that the Soviet Russian Government

NY 105-6112

became anti-Zionist since the termination of World War II, whereas America has become a virtual slave of Jewish ambitions.

T-1 indicated on January 15, 1958, MADOLE indicated that he recently had sold \$30.00 worth of the latest NR Bulletin in the Yorkville Section of New York City.

[redacted] on March 4, 1958, advised SA JOHN W. FAIN that he had received a mimeographed sheet captioned "The Jewish Peril", which contained accusations against the Jewish race and cartoons of individuals depicting Jewish facial characteristics. He referred to this sheet as being "typical anti-Jewish propaganda", and that it was stamped as being by the National Renaissance Party, 10 West 90th Street, New York 24, New York.

T-1 indicated on March 8, 1958, that JAMES MADOLE indicated the new bulletin would be ready for mimeographing about March 5, 1958, and the title would be "Anti-Semitism Justified By History". MADOLE stated the main theme of the article, which stated the causes of anti-semitism in the Near East, had been written by the Arabs. MADOLE explained that the Arabs he had reference to were "the Egyptians and everything clears through them".

T-1 indicated on March 11, 1958, that the February, 1958 NR Bulletin had been mimeographed at the office of "Common Sense", and contained one article entitled "Is Anti-Semitism Justified By History?", by JAMES H. MADOLE.

APPENDIX

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

CONFIDENTIAL SOURCE

[REDACTED] furnished the following information on 4/1/58, which he received from a source whom he termed reliable but whose identity he did not wish to discuss:

He stated that JAMES MADOLE indicated on 3/22/58, that he had received a letter from JOHN LUNDOFF in which LUNDOFF indicated he had recently been down South and stating that [REDACTED] is in Alabama helping Admiral CROMMELIN. This source added that several years ago when LUNDOFF appeared at MADOLE'S street meetings he was suspected of being an agent of some kind, and he believes it is possible that this new contact by LUNDOFF of MADOLE may be an effort by someone to attempt to feed information to the informants and investigators who work around MADOLE.

MADOLE also indicated that his next bulletin will deal with the US recession, and he will also give a full page plug for Admiral CROMMELIN for Governor of Alabama. MADOLE also commented that his recent bulletin dealing with affairs in the Near East was satisfactorily received. MADOLE further indicated he is having CONDE MC GINLEY reprint a thousand copies of a cartoon sheet which contains anti-Negro cartoons and quotations entitled, "Exposing the Perils of Racial Intergration."

This informant stated that he has no information concerning any plan by MADOLE to go on a speaking tour to Knoxville and Louisville, and he does not personally believe that MADOLE would make such a tour.

Lieutenant WILLIAM MC KERNAN, NY Transit Police, 370 Jay Street, Brooklyn, telephone UL 2-5000, Extension 3933, on 3/28/58 indicated that certain literature had been found on 3/22/58 by an unidentified passenger and turned into a clerk of the Transit Authority. He stated this literature apparently belonged to one JOHN M. LUNDOFF of 341 Senator Street, Brooklyn, NY, or Post Office Box 208, Canal Street Station, New York 13, NY. He stated this literature was being held at the Lost Property Division of the Transit Authority for its owner to claim it.

The writer reviewed the above literature at the office of the Transit Police and noted the following:

A letter, dated 3/15/58, from [REDACTED] to JOHN M. LUNDOFF, Post Office Box 208, Canal Street Station, NY, indicated that [REDACTED] was in Alabama with [REDACTED] and Admiral CROMMELIN. He indicated they rented a sound truck and were stumping the State of Alabama blasting the Jews. Thumbnail Sketch
Deadline 5/1/58

Per instructions set forth in Section 87E, paragraph 6, Manual of Instructions, the NYO must submit each year a letter advising the Bureau that a review of the thumbnail sketches being used by the NYO has been conducted and that all sketches are accurate and up to date.

The above captioned organization is among those organizations on which a thumbnail sketch has previously been submitted to the Bureau or is one on which it might be desirable to submit a sketch to the Bureau.

SA is assigned to review the existing thumbnail sketch on the captioned organization to determine if it is accurate and up to date or to review the case file and prepare an original sketch in cases where this has not been done.

As set out in the Manual of Instructions, Section 87E, Paragraph 6, sketches fall in the following categories.

- II. Organizations defunct and concerning which up-to-date sketches have been submitted subsequent to the last annual letter (5/23/57)
- III. Organizations concerning which up-to-date sketches are being submitted.
- IV. Newly formed organizations concerning which insufficient information exists at the present time to prepare a thumbnail sketch.

If a sketch falls in categories I or II, merely submit a memorandum for the case file, with a copy for 100-90311, referencing the date of the last thumbnail sketch letter and explaining that the organization is defunct and the Bureau was advised in the last thumbnail sketch. Also list the Bureau file number. If the sketch falls in IV, submit a memorandum stating that insufficient information exists and list Bufile if known.

If the sketch falls within category III, then the agent will prepare a letter to the Bureau in triplicate with a copy to NY file 100-90311 (Thumbnail Sketch) (7-2) with the caption and character of the organization involved. Below the character the words THUMBNAIL SKETCH should be added. This letter should contain an accurate, current, complete thumbnail sketch of the captioned organization. The letter should open with a statement identifying the sketch as either an amended or an original sketch and should close with the statement that careful consideration has been given and sources were concealed only

NY

where absolutely necessary. At the time this sketch is dictated, the stenographer should be directed to prepare a 5 x 8 card setting forth the complete thumbnail sketch. This card should also reflect the name of the organization in the upper left corner, name of preparing agent, and date of preparation in top center and NY file number in upper right corner.

It is believed that an amended sketch should be prepared in each instance to reflect a current date for address of the organization and/or to reflect current status of the organization.

The instructions reflect that the sketches should be clear, concise, and not too lengthy. All sketches should cover the following points.

- 1 - Date formed
- 2 - Aims and purposes
- 3 - Communist initiation, domination, or control
- 4 - Current status

AIDS:

1. Review Section 87E, paragraph 6, Manual of Instructions and SAC Letter 55-33.

2. Be sure sketch conforms with report writing requirements:

a. When a source is concealed, date information was received and period to which it pertains must be shown.

b. SAC Letter 56-56 provides that in investigative reports thumbnail sketches of organizations be set forth in an appendix to the report, with T symbols eliminated. Therefore, in submitting revised or new

NY

thumbnail sketches no T symbols should be used. When it is absolutely necessary to conceal a source, phraseology such as "on 2/10/54, a confidential informant advised---," should be used. The sources concealed should be identified at the end of the letter submitting the sketch and include the evaluation of the informant. The concealing of sources should be held to a minimum and when reviewing old thumbnail sketches, a check should be made to see if concealed sources previously used can be eliminated and the source set out by name.

c. Whenever possible similar information from a source that can be disclosed should be substituted for information from a source which must be concealed.

d. Information regarding the formation or dissolution of an organization should be attributed to corporation, tax or other official records rather than to informants or individuals where possible.

e. If an organization is defunct since the submission of the last thumbnail and the Bureau has not been advised, or has changed its "line," this should be included with the pertinent dates.

f. Current existence of organization should be shown. This usually can be done by stating the current location of organization's headquarters. The source for an organization's headquarters should not be a part of the thumbnail sketch, but should be shown at the end of the letter along with the identity of any sources which may have been concealed in the sketch.

NY

These letters should not be dated and should be submitted to the supervisor whose squad normally handles this type of organization (in this case /) for signing and forwarding to Section ~~7-2~~ 7-1

All letters must reach Section 7-2 by May 1, 1958; Section 7-2 will date all letters and forward them to Bureau by cover memo.

The Desk signing each thumbnail sketch letter should also proofread, date and initial the thumbnail sketch card, which should be attached when the letter is forwarded to Section 7-2.

According to the source, ABDUL MAWGOUD HASSAN, Attache, Information Officer, United Arab Republic Delegation to the UN (Egypt) appeared on the television program "Nightbeat" and was interviewed by JOHN WINGATE.

According to the source, during the program, HASSAN commented that he knew nothing about the charge that the Arabs planned to drive Israel into the sea, a remark that JOHN WINGATE ascribed to President NASSER and called all such charges Zionist propaganda manufactured in the US.

During the program, JOHN WINGATE asked HASSAN whether he had addressed a meeting of the National Renaissance Party (NRP) and WINGATE showed a picture of HASSAN on a platform with JAMES MADOLE of the NRP. HASSAN agreed that he had addressed a meeting of the NRP but evaded the questions as to whether he agreed with the platform of the NRP. HASSAN advised WINGATE he was ready to furnish information concerning Egypt to anyone.

The source advised that on 4/4/58, [REDACTED]

According to [redacted] HASSAN was very embarrassed after being shown his picture addressing an affair of the NPR and at the present time will have nothing to do with the NRP or JAMES MADOLE.

The source advised further that on 4/7/58,

[redacted] advised that most Arabs have expressed themselves as being solidly behind HASSAN and everything that he has said on the "Nightbeat" interview and see nothing wrong in HASSAN's statement that he will speak anywhere for the Arab cause.

[redacted] further advised that there is a group of Egyptian diplomats, however, who have expressed themselves as being vitally concerned. This group maintains that HASSAN occupies an important position as information officer and public relations man with the American public and in speaking for the NRP, he negates whatever good he can possibly do for the Egyptian cause.

[redacted] further advised that even the Arabs who stand by HASSAN know that the NRP is considered a un-American organization and that diplomats must be careful not to antagonize public opinion by attending meetings of such organizations.

[redacted] advised that it was his opinion that HASSAN would possibly be recalled to Egypt in view of the situation.

On 4/10/58, the source advised that HASSAN had indicated that he could not understand how JOHN WINGATE had a picture of him addressing a NRP meeting. HASSAN also advised that as information officer at the United Arab Republic Delegation to the UN, he will give information to all organizations regardless

of their political views. HASSAN further advised that JOHN WINGATE is known to be arrogant and an unpleasant interview and no one will pay attention to the interview that he had with HASSAN.

The source advised that at this time, HASSAN indicated that he has been overworked during the past few months and plans to take a vacation in Egypt in June.

He stated that JAMES MADOLE, leader of the National Renaissance Party, indicated on 5/1/58 that FREDERICK WEISS had visited at his apartment and had offered him and his mother a four room apartment in the Yorkville Section of NYC where MADOLE would be able to do his work properly. WEISS indicated to MADOLE that he would make all the arrangements with the superintendent, so that MADOLE would not be bothered, and MADOLE gained the impression that the rent on this apartment would be paid for him. MADOLE indicated he flatly refused this offer, and shortly thereafter WEISS left. MADOLE stated that he still does not trust WEISS because when they formerly worked together, letters of MADOLE, which WEISS had access to, later appeared in a publication of the Anti-Defamation League.

MADOLE indicated several weeks ago that [REDACTED] had recently appeared with new clothing and a new overcoat, which he claimed he bought with \$300 he had won at bingo. MADOLE commented that this is not so, and that he knows that

[REDACTED] He stated that [REDACTED] as well as [REDACTED] have been trying to find out who is financing the operation of "Common Sense" by CONDE MC GINLEY.

MADOLE indicated that he and his boys will distribute literature at a meeting of "Aware, Incorporated" to be held at Hunter College on 5/7/58.

MADOLE further stated he believed the next issue of the "National Renaissance Bulletin" would be late, and advanced the reason for this as "The Arabs advised they want me to write an article for which my tentative title is 'Conditions in the USA!'" MADOLE stated this article requested by the Arabs is not for his bulletin but will be translated into Arabic and published in an Egyptian paper and probably in other publications. This source added that MADOLE is still unemployed and is seeking a job. It appears that he has no need for any money and will not seek employment at this time.

[redacted] on 5/13/58:

He said that JAMES MADOLE had indicated that he had finished an article requested by the Arabs, which had taken him three weeks to prepare and contained 35 pages. [REDACTED] indicated on 5/19/58 he received the following from a source who he termed reliable but whose identity he did not wish to disclose.

JAMES MADOLE, Leader of the National Renaissance Party, Bufile 62-83296, said on 5/19/58 his next National Renaissance Bulletin entitled "J. Edgar Hoover is the Master of Deceit all over America" would be ready to go to the printer on Wednesday, 5/21/58. He said the bulletin would run five pages and would be printed as usual by CONDE MC GINLEY, publisher of "Common Sense" in Union, NJ.

MADOLE said he would include information he had gathered about HOOVER's association with WATER WINCHELL, a long-time agent for the Anti-Defamation League. MADOLE said he would "plaster Hoover" and "Take him down a notch or two." This source added that MADOLE is incensed over a chapter in HOOVER's book which deals with the Jews and stated "All the Hoovers in the world will not be able to sell Jewry to us." This source stated he might be in a position to obtain a proof copy of the bulletin prior to its being delivered to the printer.

The NYO will follow this matter closely and furnish copies to the Bureau at the earliest opportunity.

CONFIDENTIAL SOURCE

[redacted] furnished the following information on 5/19/58, which he obtained from the source whom he termed reliable, but whose identity he did not wish to disclose.

He stated that JAMES MADOLE, leader of the National Renaissance Party, stated that he had attended a meeting at Hunter College on Wednesday, 5/7/58, and he had gone alone. MADOLE said there were about a thousand people present and it was simply a Jewish-Catholic meeting. He stated the place was full of policemen and he believed he saw at least twenty inside the auditorium. He stated he did not pass out any literature on the sidewalk before or after the meeting.

MADOLE indicated that he is too busy at present to hold any NRP meetings of his own and indicated that CHARLES SMITH, leader of the Truth Seeker Group, would not hold any more meetings until next fall. MADOLE said he would not speak at any street meetings this summer because of being occupied with writing the Renaissance bulletin and doing work for the Arabs. MADOLE said he is doing well and can't handle any more work inasmuch as the Arabs introduced him to the Indonesians. MADOLE stated that he writes for the Indonesians and they pay him for the writings.

The following Indonesian literature which has been received by MADOLE and is stamped with the National Renaissance Party stamp will be made an exhibit in 105-6112:

"The Religious Life of Indonesia"

"In Search of an Indonesian Identity", a twenty page booklet, published by the New Nusantara Publishing Company.

JUL 7 1958

SA [REDACTED] (#1)

[REDACTED]
CONFIDENTIAL SOURCE

[REDACTED] furnished the following information on 6/27/58, which he received from a source whom he termed reliable but whose identity he did not wish to disclose.

He indicated that JAMES MADOLE continued to maintain headquarters of the National Renaissance Party (NRP) at his apartment, 10 West 90th St., NYC. He said that MADOLE has indicated recently that he is spending all of his time preparing literature for the NRP as well as writing the new NRP Bulletin. MADOLE said the new Bulletin would deal with General DE GAULLE, his friendship for the Jews of Israel and his close association with international Jewish bankers. MADOLE indicated that he obtained his data on DE GAULLE from the Arabs. MADOLE indicated his current Bulletin had been well received and that all the letters he received concerning it except one had been high in praise of its contents. MADOLE indicated that he had received \$72 in donations as a result of the last Bulletin. This source added that MADOLE has a great deal of Arab literature on hand in his apartment which appears to have come predominately from the United Arab Republic Office, 900 Park Avenue, New York City.

This source stated that MADOLE continues to be in complete control of the NRP and has indicated that he has no plans for future public meetings of the party. The source said that MADOLE apparently has decided that it is more profitable for him personally to cooperate with the Arab countries and distribute their literature than conduct public street meetings and solicit contributions. This source further stated that during the past six months, MADOLE has received numerous requests from leaders of Klan groups, citizen council groups and similar types of organizations in the South soliciting his cooperation and support. According to this source, MADOLE as in the past, has rejected all such offers and apparently has no desire to join the NRP with any other nationalistic type organization.
